Master Class 1: THE World University Rankings

(2:00pm-4:00pm)

The inside guide to the Times Higher Education (THE) World University Rankings : An exclusive Data

The class will provide an in-depth examination of the methodology of the THE World University Rankings. The convener will describe the development of the new, teaching-focused metrics for Times Higher Education's new, national university rankings in the US and will consult with Indian sector leaders on how these new metrics could apply to the Indian Higher education landscape.

Master Class 2: by Participatory Research in Asia (PRIA)(2:00pm-4:00pm)

“Strategies for Sustainable Community University Engagements” -

This master class explores the answers to how and what role can our Higher Education Institutes play as an agent of social change, and for fulfilling their social responsibilities. In collaboration with the communities.

The master classes have been designed in an interactive fashion to learn and develop new ideas through discussions, consultations and guidance from the Conveners and develop a better approach to improve the existing systems and strategies.

Please note that there is no registration fee and is by invitation only, on first come first serve basis. Kindly confirm your participation in the preferred master class latest by 28th October,2016
